GPS problem

Your GPS may direct you to enter the Evergrene Community at a gate located on Military Trail. This is a **resident only** gate.

You can enter off Donald Ross Road just east of Military Trail

OR

You can enter off Hood Road just east of Military Trail

If you are coming from the turnpike: get off at PGA Blvd.

Go east on PGA Blvd to Military Trail

Turn left (north) on Military Trail

Turn right (east) on Hood Road

Turn left into the community just after Temple Judea

If you are coming from I-95:

Get off exit 83, Donald Ross Road going east

Go approx. 1.5 miles.

After crossing Military Trail take the first right into the
Evergrene Community

NOTE:

In the past, more traffic seems to come through the gate on Donald Ross Road,

So: when you reach Military Trail

You may turn right (south) on Military Trail

Turn left (east) on Hood Road

Turn left into the community just after Temple Judea
