Simon surely is the master of creativity when it comes to not only designing quilts, but designing them in such a way that anyone, no matter what level of skill, can create a perfect quilt. Simon has the ability to invent simple user-friendly ways to achieve even the trickiest of techniques with ease and confidence. Even a novice can execute techniques with stress free speed, accuracy and ease. With this in mind every section of *Modern Ambience* has been performed in an embroidery hoop:

Embroidery – using Jenny’s glorious Rayon Threads  
Built-in accurate, fool proof, easy Foundation Piecing  
Built-in-stipple-quilting – over all fabric colors, backed with Quilt Magic and backing fabric using Invisa Sheer thread  
Built-in-Stitch cutting to finished size lines, for easy, accurate cutting & piecing.  
All sections of the quilt are executed in the hoop (blocks, sashing cornerstones, borders)  
Easy Accurate Piecing, with flat seams, using the *Jenny Join*.

**Best of all**, once you have pieced the quilt all you have to do is bind it and your quilt is complete – no waiting or cost for outside quilting or laboriously quilting it yourself. Once you have pieced and bound *Modern Ambience* – you have finished your quilt and can then use it immediately.
