We are sew excited. Don't miss this rare opportunity. Jenny no longer does shows but... one of the advantages of living in south Florida.... She is on her way to a cruise and graciously agreed to visit with us.

If you are a quilter, you surely have heard of **Jenny Doan and the Missouri Star Quilt Company.**

Times were kinda rough in rural Missouri in 2008 so Jenny and her family made the decision to start a business. They started with a few quilting supplies, added an internet shop and then "Momma Doan" started a YouTube channel and soon became a quilting celebrity.
