You will also learn a nifty way to make it a wall hanging. Come join the adventure!

Triple Zip Hipster Purse

Date: Saturday, September 15 **OR** Saturday, September 22

10:30 – 3:00

Cost: \$25 + pattern + supplies

The triple zip hipster is a great pattern to either start your bag making journey or to take your skills to the next level. I've been making my purses for the past two years, stalking Facebook groups, reading articles, watching videos, making mistakes (and starting over), and would love to share with you the techniques I've learned. This purse is one of my favorites and can be either cross-body or shoulder style and is fully lined. It uses basic hardware and #5 zippers. We'll discuss bag structure, top-stitching, purse zippers and how to install them, types of hardware, and other components that will give your purses a professional look and finish, all accomplished on any sewing machine. I've made several purses from this pattern and have been refining it along the way. Stop in the store and take a look at mine - you'll leave the class with a finished purse you'll be proud to carry.
