Skill Level: This class is not for total beginners to paper piecing. You must have had some experience with paper piecing or taken the beginners class taught by Carl.

You just learned how to paper piece and want to try out your new skill? Or learned to paper piece a few years ago but never got around to making anything with it? This class is just right for you! You will be helped to make something you can be proud of with paper piecing.

The 1st class will be in two parts. In the morning you will be helped to pick out the fabric and get organized the Judy Niemeyer way. After lunch there will be an explanation of how to cut the pattern out correctly and then get started the piecing. Those that need a help with paper piecing flying geese, etc. will receive help in getting started.

The 2<sup>nd</sup> class is 10 days later so that you will have time to do your homework.

Now you will be ready to be shown how to put the sections together, how to make perfect centers when putting the sections together, and how to do an inside miter corner on the binding.
